

MudCrew The Tempest 2018 EVENT GUIDE

7pm SATURDAY 27th October 2018

THE Tempest 2018 7pm SATURDAY 27th October 2018

10mile headtorch coast path run

“This thing of darkness I acknowledge mine.”

Robbed of his position, power and wealth, his enemies have left him in isolation. But this is no ordinary man, and this no ordinary island. Prospero is a magician, able to control the very elements and bend nature to his will. When a sail appears on the horizon, he reaches out across the ocean to the ship that carries the men who wronged him. Creating a vast magical storm he wrecks the ship and washes his enemies up on the shore. When they wake they find themselves lost on a fantastical island where nothing is as it seems.

On the very edge of our county, with dramatic scenery and a coastline both treacherous and beautiful, sits The Minack Theatre, affording a unique viewpoint out to sea. Look carefully. Is that island not real? Can the results of Prospero's magic not be seen?

MudCrew & The Minack Theatre are proud to bring to you THE TEMPEST. This is your opportunity to witness the drama and splendour of this amazing location first hand.

Come, join us on this magical journey as we conjure up for you our next instalment in our growing calendar of unique running experience events.

“Hell is empty and all the devils are here.”
